

Poster No.	Paper Title	Author Name	Organization Name
PG-1	Method development and validation of Cholesterol Esterase Inhibitory assay and Screening of the Indigenous Medicinal Plants	Bhatt Dhara	K. B. Institute of Pharmaceutical Education and Research, Gandhinagar
PG - 2	Modification and Evaluation of Novel Natural Polymer for Pharmaceutical Application	Patil Swapnil	H. R. Patel Institute of Pharma. Education & Research, Dhulia, Maharashtra
PG - 3	Standardization and Evaluation of Collagenase Type II Inhibitory Activity of Different Plant Parts of <i>Cocculus hirsutus</i>	Jethva Khushboo	K.B.Institute of Pharmaceutical Education & Research, Gandhinagar
PG – 4	Anticancer Potential of <i>Dillenia indica</i> and <i>Dillenia pentagyna</i> Plants and Its Correlation with Presence of Active Phytoconstituent	Gandhi Dipal	Institute of Pharmacy, Nirma University, Ahmedabad
PG – 5	Bioactivity Guided Fractionation of <i>Ocimum basilicum</i> Linn. for Nephroprotective Activity	Vadalia Jigna	Department of Pharmaceutical Science, Saurashtra University, Rajkot
PG – 6	In Vitro Investigation On <i>Prosopis Cineraria</i> Bark for Antioxidant, Antidiabetic and Antiuro lithiatic Activity	Barot Ronak	M. S. University of Baroda, Gujarat
PG – 7	Hepatoprotective Effect of the <i>Zizyphus Xylopyrus</i> Leaves Extract Against Ethanol-Induced Oxidative Stress in Rats	Modi Anuj	ADINA Institute of Pharmaceutical Sciences, Sagar, M.P.
PG - 8	Extraction and Characterization of Quercetin from Ethyl acetate and Methanolic Extract of Flowers of <i>Crinum asiaticum</i> Linn. (Amaryllidaceae) using HPTLC Technique	Kavade Ekta	MET's Institute of Pharmacy, Nashik, Maharashtra

Poster No.	Paper Title	Author Name	Organization Name
PG - 9	Apitherapy: Impact on HIV	Vyas Vandana	Institute of pharmacy Nirma university, Ahmedabad
PG - 10	Hesperidins: An Anticipated Anti-Inflammatory Citrus Bioflavonoid And Their Bio-Molecular Targets	Shrivastava Arpit	ADINA Institute of Pharmaceutical Sciences, Sagar, M.P.
PG - 11	Natural Sources of Xanthine Oxidase Inhibitors	Nair Anu	Institute of Pharmacy Nirma University, Ahmedabad
PG - 12	In Vitro Investigation on Seeds of Tectona Grandis Linn. for Antioxidant and Antilithiatic Activity	Shah Avani	The M. S. University of Baroda, Gujarat
PG - 13	Standardization of Herbal Products: A new approach using bio-hybrid model of liver and small Intestine	Sarvaiya Kuldeep	Institute of Pharmacy, Nirma University, Ahmedabad
PG - 14	Phytopharmacological Review of Premna integrifolia Linn.	Mali Prashant	Radharaman College of Pharmacy, Bhopal, Madhya Pradesh
PG - 15	Standardization of Polyherbal Ayurvedic Formulation as per official Guideline	Deshpande Shraddha	Sanjivani College of Pharmaceutical Education and Research, Kopargaon, Ahmednagar
PG - 16	Concept of Process Validation: An Approach for Herbal Drug Standardization	Shirwadkar Babaso	Tatyasaheb Kore College of Pharmacy, Warananagar, Maharashtra
PG - 17	Phytochemicals For Skin	Modh Dharti	Institute of Pharmacy, Nirma University, Ahmedabad
PG - 18	Standardization of Chitrakadi Vati : An Ayurvedic Polyherbal Formulation	Patil Leena	Bharati Vidyapeeth's College of Pharmacy, Navi Mumbai

Poster No.	Paper Title	Author Name	Organization Name
PG - 19	Herbal Formulation: Standardization and Analytical Profiling	Mandavkar Sushant	Tatyasaheb Kore College of Pharmacy,
PG - 20	Standardization and Evaluation of Antioxidant and Adaptogenic activity of Polyherbal formulation	Patel Miral	K.B.Institute of Pharmaceutical Education & Research, Gandhinagar
PG - 21	Screening of Soy Lectin: As Anticancer Moiety against Colorectal Cancer	Tande Amol	Tatyasaheb Kore College of Pharmacy, Warananagar, Maharashtra
PG - 22	Design, Development And Evaluation of Novel Topical Gel of Asiatic Acid For Wound Healing Activity	Acharya Niyati	Institute of Pharmacy, Nirma Univeristy, Ahmedabad
PG - 23	Perspective of Transgenic Plants Derived Vaccines (Edible Vaccine): A Concept Coming of Age	Vishwakarma Saurav Kumar	Adina Institute of Pharmaceutical Sciences, Sagar, M.P.
PG - 24	Nutraceutical Industry in India: Towards A Healthier Future	Jeswani Saniya	Institute of Pharmacy, Nirma Univeristy, Ahmedabad
PG - 25	Design And Development of Polyherbal Hair Growth Promoting Cream	Barai Priyal	Institute of Pharmacy, Nirma Univeristy, Ahmedabad
PG - 26	Guar Gum Lectins: Hemato- 'A Antigen' Agglutination Agent	Alande Gaurav	Tatyasaheb Kore College of Pharmacy, Warananagar, Maharashtra
PG - 27	Attenuation of CCl ₄ – Indued Hepatic Oxidative Stress In Mice By Eclipta Alba Extract	Patel Monali	University School of Sciences, Gujarat University, Ahmedabad
PG - 28	Tephrosia purpurea – A Superlative Herb	Bhadada Shraddha	Institute of Pharmacy, Nirma Univeristy, Ahmedabad

Poster No.	Paper Title	Author Name	Organization Name
PG - 29	Phytochemical Screening of Extracts of Few Itk Known Angiospermic Plant	Mehra Chander	Indira Gandhi National Open University, New Delhi
PG - 30	In-Vitro Investigation on Ensete Superbum (Roxb.) Cheesman, for Antioxidant, Antidiabetic and Antirolithiatic Activity	Brahmbhatt Krupa	M. S. University of Baroda, Gujarat
PG - 31	Safety and Efficacy Assessments of Bioactive Molecules, Functional Foods, Nutraceuticals	Tripathi Minakshi	SPTM College of arts and Home Science, Surat
PG - 32	Simultaneous Fingerprinting And Densitometric Estimation of Ursolic Acid, Betullinic Acid, Stigmasterol and Lupeol For Identification of Four Shankpushpi Botanicals by HPTLC	Sethiya Neeraj Kumar	M. S. University of Baroda, Gujarat
PG - 33	Development and Validation of HPTLC Method for Standardization of Kankayan Vati	Kulkarni Kirti	Bharati Vidyapeeth's College of Pharmacy, Navi Mumbai
PG - 34	Standardization of Polyherbal Ayurvedic Formulation as per official Guidelines	Ajage Rohit	Sanjivani College of Pharmaceutical Education and Research, Kopargaon, Ahmednagar
