

## **Guidelines for Oral Paper Presentation during NIPiCON-IPS 2022**

*(Presenting Author must follow the guideline for Oral paper presentation)*

- Presenting author of accepted abstract has to present work during oral paper presentation session in the **NIPiCON-IPS 2022**.
- The language for presentation is strictly in English.
- Presenting author will be given **maximum 5 minutes to present maximum of 10 slides of power point presentation (PPT)** explaining details of work followed by **2 min question answer**.
- **The Oral paper presentation number should be included on first slide of presentation. Presenting author should include only the detail of the presenting author on the first slide of the presentation. Detail of the Institute and guide name should not be mentioned.**
- The use of presentation tools like figures, charts, tables, etc. is preferable.
- Paper presentation will be evaluated for competition by respective experts of the field. Delegate must ensure quality of content provided in the presentation for evaluation.

**Note:** All the participants need to remain present online from 1.00 pm on 18<sup>th</sup> February, 2022. Separate link for the same will be shared soon via email.

The Oral Paper presentation number will be available on the <https://www.nipicon.org>

**Exciting Prizes for the Best Paper(s) in Each Oral presentation session**
